LILIA Local Impact Love In Action

LILIA is the newest ministry offered by our church through the Local Impact ministry. LILIA offers free services (labor) to our church members and their friends and neighbors. Local Impact has recruited volunteers from Lincoln Christian Church who stand ready to help you with a variety of tasks. This is not an all inclusive list, but some of the things we will be happy to help you with are:

- Washing windows
- Cleaning
- Yard work
- Snow removal
- Changing batteries in smoke alarms, etc.
- Trimming bushes
- Changing furnace filters
- Installing/removing storm windows
- Changing light bulbs
- Helping with cleaning & organizing drawers & closets
- Cleaning gutters
- House cleaning in special situations
- Grocery shopping in special situations
- Providing meals in special situations
- Light household repairs

Praise God - we have already had opportunities to help several people. Following is an excerpt from an email we received:

“My family received a food basket at Easter, and each of my children received a gift. The day the basket arrived I did not know how to act. Recently I was injured at work and have not been able to return to work. I am a single mother of three that solely rely on me for everything. I wanted to tell your group thank you for not only bringing the gifts, but thank you for letting me know that God is listening. He has shown this to me by showing me His love through the people involved in your group and the love of our community.”
